There is no branch of this work that they have overlooked. They have you ready in a matter of days while some firms keep your furniture for weeks.

Most correct and reliable upholstering is an art rather than a trade and requires a training that can only be secured by actual experience. That is why the work of the establishment is meeting with such universal favor for it is in charge of one of the most experienced upholsterers in the country.

We wish to comoliment them and to direct our readers to it when in need of any furniture upholstering.

have in charge able and efficient workmen and being backed by vast facilities, which enable them to rebuild, replace or repair any automobile, no matter what the trouble may be, in a most satisfactory manner.

It can readily be seen that this service is important to the automobile owner and this section and adds materially to the advantages of every owner of an automobile. The fact that visitors and local patrons can get a real service at this firm instills in the mind of the automobilist confidence in the fact that all troubles can be taken care of in a "Most Workmanlike manner".

iness are well known and their experience, as we just installed, covers a lifetime. There is nothing supernatural about their methods but like so many other achievements, it seems miraculous. It is simply a case of using their heads as well as modern machinery. These gentlemen do an enormous business too, which goes to show that more buildings are moved than most people imagine. So after you have your home in this town if you look out the window and do not like the view, just ring up this concern and they will set it wherever you like, just like moving a piece of furniture in your room of the room. Remarkable, isn't it? But never-the-less true.
